

### PRODUCT FEATURES

- Powerful 500 lumen 6500k white SMD LEDs
- Robust die cast aircraft grade aluminium body
- Easy press rubberised micro switch
- 3 Light mode settings
- Strong magnetic base
- Useful rear aluminium pocket clip
- IPX4 water resistant
- 1 metre drop resistant

**BATTERY** - 3 x AAA Super Power 1.5v Alkaline Batteries (Inc)

**DIMENSIONS** - Ø21.5mm x Ø15mm x 154mm

**WEIGHT** - 57g [without batteries]

### ADVICE & IMPORTANT INFORMATION!

- Do not look directly at LEDs.
- Only use high-quality Alkaline batteries or Ni-MH rechargeable batteries. DO NOT USE rechargeable LITHIUM batteries, these will damage your product as they exceed the rated voltage.
- Do not use batteries of different brands or mix old and new batteries.
- Please recycle used batteries responsibly.
- Battery life is affected by different battery brands, different ambient temperatures and different lighting modes.
- If the batteries are installed and the product does not work, try checking for the following: (1) Press the switch button several times. (2) Check that the batteries are inserted the correct way around according to polarity markings. (3) Check there is no debris on the contacts that might affect the battery connection. (4) Check there is no water or dampness inside the product, if so, allow it to fully dry out and try again.
- If you are not using the product for long periods of time (3 weeks or more), remove the batteries to prevent battery leakage and battery depletion. Battery leaks are not covered under warranty.
- If a battery has leaked or gets damaged, fluids or residue can leak out. AVOID contact as this can lead to skin irritation and/or burns. If skin contact occurs, rinse thoroughly with water. If irritation persists, seek medical advice. Seek immediate medical assistance if lithium battery fluid comes into contact with the eyes.
- Protect batteries from heat, intense sunlight, fire, water and moisture.
- Sometimes the aluminium housing can get warm/hot. If it gets too hot, turn down the brightness or switch off and allow to cool.
- Do not operate in direct sunlight or extreme temperature conditions (below -20°C or above 40°C).
- LEDs can become warm/hot when switched on; DO NOT touch and NEVER place face down on any surface – risk of fire! Even once the device has been switched off, DO NOT place face down as the LED and Lens can stay hot/warm for a while.

### ANSI FL1 Standard

	500 Lumen	28M	2.5H
<b>HIGH</b>	500 Lumen	28M	2.5H
<b>MEDIUM</b>	200 Lumen	18M	5H
<b>LOW</b>	60 Lumen	9M	16H

### OPERATING INSTRUCTIONS

Switch Sequence: HIGH > MEDIUM > LOW > OFF

[Returns to High if left off for over 3 seconds]

- Do not use the device if there is any visible damage.
- Do not use the device in the immediate vicinity of flammable materials or gases.
- Children under 12 years of age should only use the product under adult supervision.
- Do not disassemble or attempt to modify the product; this will void the warranty and can be dangerous. Improper use or modification is not covered under warranty.
- Take care not to let lenses come into contact with hard/sharp objects, damage/scratches to lenses will affect light output.
- Clean with a dry or slightly moist, clean, lint-free cloth and a mild detergent if required. Do not use cleaners that contain abrasives or solvents.
- This product is water resistant to IPX4 – DO NOT SUBMERGE. If the product has been subjected to excessive moisture/water the warranty may be void.
- This product has a 1 year standard warranty (or extended to 2 years once registered online at [WWW.UNILITE.CO.UK/WARRANTY](http://WWW.UNILITE.CO.UK/WARRANTY)) against manufacturing faults and defects. It does not cover normal wear and tear, modifications, accidental damage or poor maintenance. Unilite standard warranty does not cover disposable batteries that have leaked or the use of incorrect chargers and cables that can damage rechargeable batteries.
- Do not dispose of this device in normal household waste. It must be disposed of via an authorised electrical appliance disposal centre or at your local waste disposal unit.
- Please recycle packaging responsibly.
- Keep these instructions for future reference or for subsequent possessors.
